

# SIGNAMAX™

## CERTIFIED CONTRACTOR TRAINING

**YOUR ADVANTAGE STARTS HERE**  
**QUALITY, SUPPORT, INNOVATION, & EXPERIENCE**

The SIGNAMAX Certified Partner Program was created to build a network of partners that can carry out the design, installation, & maintenance of our products to ensure the longevity of our end user's investment.

### THE ADVANTAGES:

- Direct access to industry trained professionals with several RCDD's on staff
- Quality products warranted to meet or exceed the specifications of standard organizations including, but not limited to ISO/IEC & TIA
- Only certified partners can offer the Signamax 25-Year Cable System Warranty
- A copy of SIGNAMAX Cabling System Design Principles & Installation Practices Manual for future reference in the field
- Rewards Program based on quarterly returns & year ending prizes

### THE WHEN & WHERE:
