We've Got A Location To Serve You

Norfolk Wire & Electronics was founded in 1985 and is an owner-operated company. We offer nine well stocked locations staffed by friendly and knowledgeable sales persons. Our diversity of product exceeds virtually anyone in distribution with extensive inventory and product knowledge at almost every level.

We pride ourselves in using the business fundamentals that have been time-proven for a successful distribution company. Our goal is to provide the utmost in service to our clients, ensuring long-term business relationships with our customers and vendor partners. When you do business with Norfolk Wire & Electronics, you will see why we say **"Our Best Product is Service"**.
